ACTIVARMR™

42-474

Flexible full-length heat barrier.

Heat | Heavy Duty

Heat-resistant full-length gloves, offering complete protection and added comfort

- **Specialized protection:** ActivArmr™ 42-474 industrial gloves possess a full-length heat barrier and can confidently handle dry, hot objects up to 250˚C/480˚F
- **Elevated comfort:** These heat-resistant gloves' two-piece construction features no outseams, enhancing finger comfort and flexibility, while a sweat-absorbent nonwoven felt liner limits perspiration
- **Assured durability:** Their bonded nitrile coating grants them additional snag, puncture, cut and abrasion resistance
- **Enhanced grip:** ActivArmr™ 42-474 heat-resistant work gloves also provide excellent grip in dry or oily conditions
- **Reduced health risks:** These heavy-duty gloves contain no asbestos, eliminating all related health risks

Industries

- Automotive
- Food processing (indirect contact only)

Applications

- Press injection molding
- Handling molded structural parts
- Testing
- Welding

ACTIVARMR™
